

Pumpkin Chai Latte with pumpkin & spices

For the Pumpkin Chai Latte with pumpkin & spices you will need:

2 Tablespoon Red Panda Pumpkin Chai

200 ml Hot water, milk or a milk alternative

1 Splash Pumpkin syrup or sauce

1 Pinch(es) Cinnamon

Something Whipped cream

Something Chocolate powder or cocoa

Preparation time: 5 MIN

Total time: 5 MIN

Degree of difficulty: simple

Portions: 1 Personen

Step by step:

1. Pour the pumpkin chai into a large cup or glass
2. Pour hot water or milk over the powder and stir well until the [chai powder](#) has completely dissolved. Our tip: try using a ratio of 2/3 water to 1/3 milk. This will ensure that the chai is not too sweet, but still creamy
3. Add a dash of pumpkin syrup – this enhances the creamy, sweet autumn flavor

4. Garnish with whipped cream, cinnamon, and a little cocoa or chocolate, as desired
5. Tip: Preheat the cup or glass so that the chai latte does not experience a temperature shock and cool down too quickly.
